Panther Club is non-profit (501c3) organization that serves as a booster club for Boulder High athletics. We support 21 sports and more than 1,200 student athletes.

Boulder High has a long history of high quality sports and great fan support which creates spectator traffic to thousands of students, parents and alumni who live and work in Boulder, CO. With more than 200 events each year including both Boulder High and community events, advertising your business is an excellent opportunity to increase awareness.

Panther Club would like to provide your business access to this captive audience by advertising at our athletic venues. Your advertising dollars will be working to generate revenue for your company. In addition, you'll be supporting Boulder High athletics in our commitment to grow and enhance the experience of our student athletes.
